

1 INT. A ROUGH DAY IN SCHOOL FOR ERIK - MORNING**1**

It is another bad day for Erik who wants to become a painter and he is not good in his studies. So, his friends often make fun of him because he does many foolish things and whenever the teacher asks him questions related to his topics. He never answers them properly. On Monday morning Erik is sitting on his desk and teacher has given some work to do. Everyone is busy in doing their work so that they can submit it to the school teacher whose name is Sara so that they can get good marks but Erik is a very weird child who is not interested in doing these assignments or to compete with anyone else in the class. While everyone is about to complete their task Erik is busy in drawing.

SARA

(Speaks with a loud voice
so that the whole class
can hear)

Hello everyone, time is about to end
and I hope you all have done your
work now. Please submit it to me
quickly so that I can see what you
all have done.

JOHN

(Friend of Erik who knows
the talent of Erik speaks
with a loud voice)

Yes, ma'am, I have done my work and
I am sure you will like it.

STEVE

(Steve is a classmate of
Erik and they both don't
like each other. Steve
speaks with anger)

Teacher! You should see what Erik is
doing.

SARA

What? Let me see.

STEVE

(Steve quickly grab the
pages of Erick where he
was drawing some paintings)

and show it to the
teacher)

See this teacher. He was not
listening to you and was busy
creating some cartoons of yours.

SARA

That is bad Erik. I am tired of
telling you again and again that you
should focus on your studies and
leave these foolish things at your
home. Focus Erik! Focus!

ERIK

(His eyes are looking down
and he is feeling
embarrassment)

Sorry teacher. I won't do this
again. Please don't call my parents.

SARA

I am going to call your parents for
sure. Enough is enough.

2 EXT. STEVE BULLYING ERIK AFTER SCHOOL - LATER THAT DAY 2

Once the class is off and everyone is waiting for their
parents to pick them up Erik and his friends are also waiting
and while waiting they are talking to each other and then
suddenly Steve starts to embarrass Erik so that he can make
fun of him. Erik is already upset and then he gets really
angry when Steve and his group of some friends start to say
some things to him.

ERIK

Hey John, I am tired of these things
man.
What do you think I should do now?
Mom will kill me...

JOHN

Don't worry my friend. Everything
will be alright and I hope the
teacher won't call your parents. So
just chill.

Suddenly, Steve comes with his group of friends and joins the
whole conversation.

STEVE

Do you know one thing, Erik?

ERIK
 (Erik with a strange look
 replies)

What?

STEVE
 You are like shit who gives
 relaxation but smells horrible.

JOHN
 Hey, Steve please go away we are not
 in a mood to talk now.

STEVE
 (Continue the
 conversation)

But do you know what is the best
 thing?

ERIK
 I don't wanna know.

STEVE
 (Continue the
 conversation)

The best thing in shit is that you
 can just press the button of flush
 in the toilet and the shit
 disappears. hahahahah lol.

Steve and his friends are laughing while John and Erik get
 angry and leave the conversation by saying nothing at all.

3 INT/EXT. ERIK WATCHES A TV SHOW OF A GREAT PAINTER - NIGHT 3

Now Erik is pretty much frustrated with his life and wants to
 find a solution. He needs some guidance and he is very much
 confused about what to do now. While thinking about all these
 things he turns his television on and there is a show of a
 famous painter is going on. The name of that painter is
 Stylo.

STYKO
 (Styko is explaining
 something on T.V)

A painting is not just a collection
 of things and colours.

ERIK

(Erik is watching with great interest because he likes to make paintings)

Hmm.. that is interesting.

STYKO

A painting is a way of expressing the hidden world in your head. It is a way of telling stories, it is a way of giving clues to hidden stories.

You can tell the whole things with just one image and it can take hours for the viewer to understand that thought process artist used while creating that painting.

People can learn to engineer, people can learn the business but people can't learn the art. Art is something which is a gift of God and only a few people have that gift in this world. So, if you are one of those who have that gift. Then make sure you use it wisely.

ERIK

I think this is the solution to my problems and to the hate that I receive. I will have to do something.

STYKO

Don't think about what others say. Do your hustle in the silence and make them hear the sound of your success.

4 EXT/INT. THE DAY THAT CHANGED EVERYTHING - MOMENTS LATER

4

Last day of school and Erik is about to pass out. On this last day Steve and his friends plans to make Erik embarres again by making fun of him but while making his fun accidently Erik fall from the stage and he gets a severe injury. Now he has a strong need of revenge from those people.

STEVE

Hey Erik, do you know one thing?

ERIK
Not again Steve.

STEVE
hahah. You are too scared of me. I
won't harm you.
Come closer to me.

Steve gets closer to Erik in order to scare him while on the other hand teacher is about to call his name and he has to go to the stage for collecting his degree. Everyone is sitting in the audience and waiting for their turn.

STEVE
Come closer. I will give you all my
love.

ERIK
Stay away from me Steve. Enough is
enough.

STEVE
I won't stop and you know that.
I know you are scared of me. Don't
you?

While all this is happening friends of Steve added a slippery bubble gum on Erik's shoes and then teacher just called his name and asked him to come on stage.

SARA
Erik now it is your turn. Come on
stage please.

Erik is nervous but he leaves Steve and starts walking towards the stage in order to get his degree. While walking on stage because of that bubble gum Erik slips and falls on the ground in front of everyone. Everyone starts laughing and then people come and take him to the hospital.

5 INT. ERIK IN HOSPITAL AND WANTS A REVENGE - MOMENTS LATER 5

Now Erik is 90% recovered and now he will be at home tomorrow but sitting on his bed in the hospital he is constantly thinking about taking revenge from Steve and his friends. He is counting the numbers and preparing a plan. He wants to kill all of them one by one in order to take his revenge.

ERIK
(Thinking in his mind and
saying to himself)

There are three of them. Number one is Steve. Number two is Tailor. Number three is Tom. I am going to kill all of them at once and will leave one of my painting at their home so that their soul can realize that these paintings are not useless and they stop making fun of them.

The nights in the hospital are the worst nights of his life and he is not able to sleep the whole night. He is thinking about the respect he lost on that day and the embarrassment he felt at that time.

6 INT. FIRST CRIME SCENE - MOMENTS LATER

6

Once Erik got home and he becomes healthy again. His first target is Steve's friend Tailor who lives in a rich family and has a big house. Erik makes a plan to enter his house and kills him which is the start of his revenge. The interesting thing for police is that Erik leaves one of his painting at the crime scene which has clues of why Tailor was being killed by Erik.

ERIK

Now I will explain to them that paintings are not just a collection of things and colours but they are the clues to the murder. They have the reasons and stories in them for smart people to see and find.

TAILOR

Hey Erik, why are you here?

ERIK

You used to bully me and now I will tell you what it feels like.

Erik kills Tailor and leaves the house without anyone notices him and then when police visit the house they see a painting lying on Tailor dead body. This hits the news and now Erik is a famous killer known by A painter who wants an act of revenge.

7 INT. SECOND CRIME SCENE - LATER THAT DAY

7

On that very same day, Erik decides to kill the second friend of Steve whose name is Tom. He is a poor person and lives in

a slum. When Erik visits his house. He saw some very interesting things but still, he decides to kill him.

ERIK

Time has come to Tom.

TOM

What do you mean by that Erik?

ERIK

Do you know that embarrassment hurts more than lack of money or fame?

TOM

What are you talking about Erik?
Have you gone mad?

ERIK

Yes, I am mad now. I am mad about the blood of all people who made me realize that I am nothing but a piece of shit.

TOM

Calm down, Erik. I am not in a mood to have a debate with you today.

Erik kills Tom and then leave a painting there as well.

8 INT. THIRD AND FINAL CRIME SCENE - DAY

8

Now, this is the time of killing Steve who was the mastermind behind all this trouble. Erik is ready to take the revenge and he kills Steve without any hesitation. A voice-over of Erik is going on in his head.

ERIK (V.O.)

Poem going on in his head
I painted those pictures
I left some clues there
I made those stories myself
Leave it. You will never understand.

There are things you can figure out
There are emotions only I can feel
Now everyone wants to listen
But no one is there to speak

I was there at one time
I was there to laugh with you

I was there but you didn't care
I was there. I was there

Now the time has come for the
revenge
I am gonna take it without your
presence
The world is like an illusion
When the time comes you become the
king

I was just a painter who needed
nothing
You gave me a reason to live
I am here to end this forever
Remember my name, remember my needs

Nobody is a criminal by birth
You made fun of me
Now you pay the price
That's how mean is life.

And then Erik kills Steve by a brush and leaves a painting
lying on his dead body. This poetry is going on with music
while showing the dead body of Steve.
